10 Field Factory Japan Inc.,

Products & Services:

- Main Products line-up are premium solar panels, aluminum mount system, power conditioner and battery
- Vertical wind turbine
- We provide and install our original solar panels and aluminum brackets
- Our service is wee-developed and satisfied throughout from the inquiry to the installation and maintenance

Country of Origin: Japan

Official Japan Headquarters Name

10 Fields Factory Co., Ltd.

Head Office Location - 9F Keihanna Plaza, 1-7 Hikaridai, Seika-cho, Soraku-gun, Kyoto 619-0237, Japan

Establishment: 2002

Philippine Company Name

10 Fields Factory Philippines

Office Location - 8th Floor Jecoprime Building, 20th Corporate Drive Center, 20th Drive Mckinley Business Park, Bonifacio Global City, Taguig.

Bernabe Construction & Industrial Corp.

Products & Services:

- General construction, general steel fabrication
- Car assembly/manufacturing equipment – painting oven and booth, electro-deposit coating line, assembly line
- Elevated, underground and surface storage tanks for water, oil gas
- Chemicals, molasses and pressurized vessels all according to ASME Code Sec. VIII & API 650 Standards
- Design and fabrication of sugar process equipment – SRI clarifier, evaporator, juice heater, vacuum pan, crystallizer, mill installation, massecuite reheater
- Sugar mills and mining equipment and facilities
- Fabricated rolled steam or condensate pipes
- Distillery equipment and facilities - distilling columns, bubble caps
- Plant erection, machinery and equipment installation
- Mechanical works related to conveyor systems, other bulk handling systems, piping works
- Process equipment - mining, sugar, cement, distillery, bottling among others

China National Electric Engineering Co., Ltd.

Products & Services:

- EPC Contractor for global Energy Power Plant Projects
- Specialized for coal fired power plant, combined cycle power plant, and waste to energy power plants.
- Full chain of project services from consultant, Feasibility Study to Operation and Maintenance
- Authorized Import / Export global trading

Project Reference:

- Indramayu, 3x330MW in Jawa, Indonesia, coal fired power plant
- Hongsha, 3x636MW in Lao, the largest Chinese exported coal fired power plant.
- MARIVELES 3x330 MW in Php, the coal fired power plant
- CALACA 2x150MW in Batangas, Php, coal fired power plant
- TPIPP, summed up to 200MW Waste to Energy projects in Thailand.
- REPPE 2x600tpd WTE projects in Ethiopia.
- Successfully completed more than 1000 projects in 70+ countries.

Climargy

Products & Services:

As the world's pioneer private super-ESCO aggregator of ESCO project assets, Climargy is organized to mobilize:

- Off-balance sheet project capital for up to 100% of project CAPEX of ESCO-guaranteed energy efficiency improvements in C&I establishments. Typical projects include HVAC chilled water/district cooling plants, compressed air systems, high-efficiency pumps and motors, waste heat recovery, lighting and energy management systems. Engages DOE-registered or DOE-certified ESCOs to deliver solutions, audits, O&M and energy performance guarantees.
- Subsidies to de-risk the level III (investment-grade) energy audits to be conducted by DOE-registered and DOE-certified ESCO partners.

Project References:

- New project investments to be announced soon

Country of Origin: Philippines

Address: 26th Floor, The Podium West Tower, 12 ADB Avenue corner Doña Julia Vargas Avenue, Ortigas Center, 1550 Mandaluyong City, Metro Manila, Philippines

Enercon System International Philippines Corp

Products & Services:

- generator, solar & utility synchronization & load sharing system
- automatic voltage regulator
- motor control centers
- neutral grounding resistor / neutral grounding switch
- battery charger - 24v, 110v, 220vdc
- turnkey solar systems
- thermography inspection & reporting
- generator solar integration & remote monitoring
- energy audit with analysis report & recommendations

PREVENTIVE MAINTENANCE WORK:

- Preventive maintenance of Switchgear which includes: Protective Relay Test, ACB Trip Test, Contact Resistance Test, Insulation Resistance Test, Power Quality Analysis, Harmonics Analysis, Infrared Thermal Imaging of Switchgear.

INSTALLATION WORKS:

- Control and Power Cable Installation
- Bus duct Installation
- Electrical Equipment Installation
- Switchgear Retrofitting and modification works.

Physics Research Sales and Services Corporation

Products & Services:

- Feasibility studies
- Engineering, procurement & construction
- Operations & maintenance
- Technical training
- Institutional trainings
- Warranty support & servicing
- Design, supply, install
- Grid tied & off grid, solar panels, inverters, mounting structure, wires,
- Home lighting streetlights
- Village water supply & irrigation pump systems
- Pump & motor, controller, wires & accessories
- Water heater
- Vacuum tubes, controllers & accessories
- Biomass power systems
- Biomass gasifiers, biogas
- Wind
- Horizontal axis, vertical axis, water pumps & motor controllers & VFDS (variable frequency drive), water tanks & pipe-lines accessories
- ORC systems
- Waste to Energy

Berde Renewables

Products & Services:

- Berde Renewables provides the Philippine commercial and industrial sector with sustainable energy through a PPA (Power Purchase Agreement). Companies can now enjoy carbon-free energy with ZERO Investment with lower monthly tariffs. We can arrange flexible payment terms from a 10 to 25 years lock in period depending on your needs. This also includes maintenance costs for your solar PV System for your convenience.

Bioenergy and Sustainable Technologies

Products & Services:

- We use thermochemical, biochemical and syngas technologies for the development of biomass-, residues- and waste-based biorefineries.
- We consistently use digital tools for technology development, technology integration into sustainable energy and resource systems and optimization of operation.
- We examine the entire value cycle from the resource to the end product and its market, including recycling and energy / material recovery.
